I'm so glad to see September! We are leaving oppressive heat behind as outdoor temperatures drop. Pumpkins will be arriving in our patch on the last Wednesday of the month. We finally got to have worship on the lawn on September 5.

August was rough for me personally. With a breakthrough case of COVID (I'm fully vaccinated), I struggled to get much done or even think clearly. My brain was foggy, and I was constantly exhausted. God blessed my household with good health; no one else in my family got sick.

One of the things I could do was update our online church directory.

Instant Church Directory is an online directory accessed through a computer or a smartphone app. You log in using an email address that you provide to us, and then you can set up your password to enter. If you are already in our directory, would you look and make sure your contact information is current? Also- if you would like a new picture, we would be happy to add one you already have or take a new one for you after church! I have added our latest members and frequent visitors to the directory, so I encourage you to check it out if you haven't looked at it in a while.

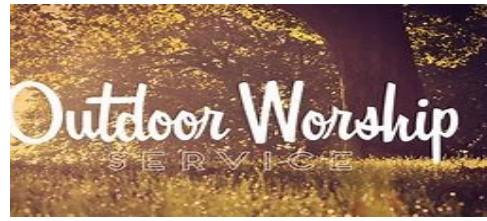

Another system we use as a church is called "One Call Now." One Call Now is a phone tree system that I use to distribute messages to home or cell phones of your choice. I frequently send out event and worship reminders via this system. Do you receive my calls? If not, please let the church office know which phone number you would like to have. Did you initially give us a landline phone number you don't have anymore? Please let us know so we can remove it. Thank you!

What a blessing it is to serve First Christian Church. May we continue to love each other well.

Blessings,
Pastor Sunny
