Dear Friends,

Summer is here! I want to take a moment to thank all the volunteers who have helped throughout the year to make Wednesday Night Live possible. Each week these volunteers were here to welcome kids of all ages into our doors. I am grateful for all of you who have given your time to create an awesome experience for our young people's spiritual growth. I am grateful!

Jimmy McAfee, our summer intern, is already underway. He'll be planning activities for children and youth and helping with the children's worship, as well as leading in Sunday worship. Take some time to get to know Jimmy and his wife Katie. They bring a lot of gifts to our congregation. This will also be a great opportunity for Jimmy to learn more about vocational ministry.

Vacation Bible School begins Sunday the 4th. I hope you will take time to spread the word on social media and invite a kid to VBS. Some of my most fondest memories of growing up in church involved singing silly songs and dancing at Vacation Bible School! I can't eat a vanilla wafer cookie to this day without thinking of Church! Children and youth are not just our future – they are the Church today! They bring incredible gifts to our congregation and it is such a privilege to help nurture the faith of young people. Bring a child to VBS Sunday and help share in God's love with others.

Glad to be in ministry with you!

Peace,

Kara

P.S. The mission group is sharing about their experience in the Dominican Republic. We had an awesome experience. You won't want to miss! See you Sunday at 10am for Sunday School and 11am for worship.
